

# Template II

## Decisions & Recommendations

### Document your decision on the final product.

I have decided to recommend the following chair and options;

---

---

---

---

---

### Justification

Document how seating goals were achieved by this selection.

---

---

---

---

---

Document any un-met goals and why your selection didn't meet these needs.

---

---

---

---

---

Document current or future risks that are addressed by this selection.

---
